

# FIGURE PAINTING

tutor: JEFFERY COURTNEY MARAS

Drawing & painting the human figure has always fascinated artists since ancient times. It is one of the most interesting & challenging forms of painting because the human figure is so subtle. We will tackle this continually interesting subject over the weekend, trying different approaches & techniques. There will be one to one guidance & group discussion.

## COURSE DESCRIPTION

The first 3 weeks we will work from a costume model. Focusing on direct painting.

The remaining 5 weeks we will work with a life model. Using underpainting & overpainting, alternating warm & cool colour.

This is an Intermediate Level course - some basic skills & familiarity with painting is required.

## MATERIALS & EQUIPMENT

Bring your own chosen medium.

We will provide easels, boards, jars & turps.
